

WOODSTOCK, VIRGINIA.

FRIDAY SPIEM BEEK 25, 1908;

The hardest man to find day in this community is an original Foraker Republican.

The frantic effort of President Roosevelt to save his candidate is yery encouraging to the Democrats.

The political joke that the people can vote for Bryan at any time, seems to have been changed and now reads: People WILL vote for Bryan any time.

from his own state, where he has trict than Mr. Hay." a very important canvass to the middle west.

Democratic column.

Coming at this time, it clearly indicates that the tide in favor of a change of administration is becoming stronger.

ALONG the Mississippi river, it is recessary to have levees to amity Lowling: keep the water from overflowing the country. When a small hole is made in one of the levees, it country inundated. In that section of the country, the middle west, there seems now to be a and forcibly. Not only is the country break in the political levee which in no mood to stand calamity howlers, Wednesday in Baltimore. threatens the territory held by b t the Republican party is in no porepublicans. Every possible effort is being made to check it! how well the leaders of the party can throw dirt. The tide however seems to be sweeping it coming greater. Where it end? state of mind. is the question which causes them to tremble.

means of his official position, the has thrust into the canvass an failed to do through three adminisissue of more vital importance trations. than any presented by the plat-It is simply this: will the peo- ocracy has a decided advantage in its ple of the United States invest freedom from responsibility for existthe President with the power of ing conditions, and undoubtedly will selecting his successor? If the office once acquires that power, it will be difficult, if not impossible, for the people to again select the President. Our position will deposits becomes something of a live be worse than that of the limited monarchies of Europe. If each successive President is to select dollar it deposits in a national bank his successor, what becomes of -a security which Mr. Taft would stock. the liberties of the people? Presi- deny to the individual depositor .- St. deat Roosevelt, not satisfied with Louis Republic. his effort to control the election of the Peesident, but by another letter he is endeavoring to control the selection of congressmen. Troy Hatheld, son of the famous Place the selection of the President and of congress in the hands of one man, and we will have the our government will cease to be a republican form of government and the liberty of the people for him two days, suddenly came upon will be a thing of the past, him. White attempted to shoot Hat all others sink into insignificance, men of all parties, who love liberty, should unite in rebuking this hitherto unheard of conduct of a President of the United Pills for many years, with increasing States.

THE OUTLOOK.

There has been some change in the outlook since last week, It is recognized on all sides that Mr. Bryan is gaining. The New York Herald's weekly forecasts than half of them prove fatal. are considered the most trustworthy now published in the United States. They are as accurate as any forecasts can be, the care with which its forecasts larities and prevents Bright's disease of Lynchburg. The building is to be are made, they show as clearly as

any forecasts can the trend of public opinion.

On Sunday, Sep. 13th the Herald gave Mr. Taft 206 electoral votes, Mr. Bryan 161 and left for their home on Monday. Rev. Herald gave Mr, Taft 165 votes,

Mr. Brayan 161 and 157 doubtful. In one week, Mr. Bryan removed | Winchester, last Saturday. forty-one electoral votes from column. When it is considered parents, Mr. and Mrs. S. A. Copp. that the Herald is supporting Mr. Taft, the changes of one week are certainly very encouraging to the Democrats and clearly show the trend of public opinion, The indications are that the corpora-

able to stem the tide. In West Virginia, the Republicans hope to reconcile the warfor Taft.

The present outlook is decidedly in favor of Mr. Bryan.
